## Inrush current limiter - NTC

|               |                              |
|---------------|------------------------------|
| Order number: | 300.15963                    |
| Order code:   | Einschaltstrom-Begrenzer-NTC |

### Overview:

Inrush current limiter module to protect relay contacts from excessive inrush current peaks. This module is especially recommended for electrical devices that cause extremely high inrush current peaks. In particular, these are devices that have electronic power supplies or capacitors (e.g. electronic pumps). The limiter module has 2 separate channels through which either 2 pumps or a 3-point actuator can be connected.

### Scope of delivery:

SCHNEID inrush current limiter NTC

### Technical specifications:

|                              |               |
|------------------------------|---------------|
| Intrastat Number:            | 8537.10.91.90 |
| Country of origin            | EU/AT         |
| Height, width, depth (in mm) | 33x29,5x15mm  |
| Weight (in kg)               | 14,4g         |
| Degree of protection         | IP20          |
| Ambient temperature          | 0°C bis 40°C  |
| Max power dissipation        | 2,1 Watt      |
| Max load current             | 2,5 Ampere    |
| Operating voltage            | 230VAC        |
