Eprom with firmware (erasable and rewritable)
for SCHNEID MR05 and MR06 module controllers

Order number:	**150.06916**
Order code:	**Eprom mit Firmware**

Overview:

Various SCHNEID control programs can be loaded on this component. After installing this chip in a SCHNEID control device, the control functions are carried out according to the programming. This component can be erased and can therefore be written to several times.

For SCHNEID module controllers of the MR05 and MR06 series.

Terminal Diagram:

You can find instructions on how to replace the Eprom for SCHNEID MR05 and MR06 module controllers under "Connection Diagram".

Scope of delivery:
Eprom with firmware xx
